ART & Music

2018

## Artist's Statement:

I produce art. The medium is sound and might include paint, photograph, sculpture, music, object or a combination. I usually work alone, but occasionally in collaboration. My work tells a story, my story. The story is usually personal, and sometimes painful, but it could also be your story.

## Brief Biography:

Robert Falcone has been making music and visual art since the mid 1960's. He drew cartoons for the Cleveland State newspaper, the Cauldron from 1969 - 1970, and worked in the production and design space at Kent State University 1970 - 1971. Robert took an art break to pursue his medical career from 1973 - 1987. Falcone has been producing music and visual art continuously since, and recently completed an MFA in Visual Art at The Columbus College of Art and Design. He is represented by the Lindsay Gallery.

Currently, he is CEO of the Columbus Medical Association and Affiliates, Dr. Robert Falcone works with Central Ohio Physicians and coalitions to champion tangible improvements in community health. He most recently served as Vice President of Population Health with the Ohio Hospital Association, Chief of Staff of the Cincinnati Veterans Affairs Medical Center (VAMC), Chief of Staff of the Chalmers P Wylie VA Ambulatory Care Center, and Acting Chief of Staff for the Jesse Brown VAMC. Prior to joining the VHA, he was President and COO for Grant Medical Center a 640 bed urban teaching Hospital and Level 1 Trauma Center in Columbus Ohio. His clinical background is in Trauma and Surgical Critical Care.

In addition to multiple professional societies, he serves and has served on a number of Arts related Boards.
