

Curriculum Vitae ***2024***

Name: Robert E. Falcone, M.D., F.A.C.S.

As CEO of the Columbus Medical Association and Affiliates, Dr. Falcone champions Physician led initiatives to improve the health of their patients and the community. The Affiliates include the Columbus Medical Association Foundation, The Physician's Care Connection, and the Central Ohio Trauma System., and the Physicians Leadership academy.

He most recently served as Vice President of Clinical Policy and Population Health for the Ohio Hospital Association, Chief of Staff of the Cincinnati Veterans Affairs Medical Center (VAMC), Chief of Staff of the Chalmers P Wylie VA Ambulatory Care Center, and Acting Chief of Staff for the Jesse Brown VAMC. Prior to joining the VHA, he was President and COO for Grant Medical Center a 640-bed urban teaching Hospital and Level 1 Trauma Center in Columbus Ohio. His clinical background is in Trauma and Surgical Critical Care.

Dr. Falcone is a Fellow of the American College of Surgeons and the Society of Critical Care Medicine, and a member of the American Association of Surgery for Trauma and many other professional societies. His past roles in local and state associations have included President of the Central Ohio Trauma Systems Foundation Board of Trustees, Chair of the Ohio Committee on Trauma, and President of the Ohio Chapter American College of Surgeons.

Magna cum laude graduate of Kent State University, Dr. Falcone received his medical degree cum laude from The Ohio State University (OSU) College of Medicine. He completed his internship and surgical residency at Riverside Methodist Hospitals. He is a diplomat of the American Board of Surgery, and a Clinical Professor of Surgery at the OSU College of Medicine.

Education: *Columbus College of Art and Design, Columbus OH 2014-2016 MFA*

Health Care Leadership Institute, Cincinnati OH, Dallas TX & Washington DC, 2010

VHA Physicians Leadership Program, Columbus Ohio, 1997

CompHealth Scholars Program, University of North Carolina, Kenan-Flagler Business School, 1995-96 Certificate

The Ohio State University Graduate School (History of Art) 1987-1992

The Ohio State University College of Medicine
M.D., cum laude, 1973-1976

Kent State University, BA Chemistry, magna cum laude,
1970-1973

Cleveland State University, 1968-1969

Post Doctoral Training:

Visiting Fellowship in Biliary Lithotripsy HUP, 1989

Riverside Methodist Hospital, Chief Surgical Resident, 1980-1981

Riverside Methodist Hospital, Surgical Resident, 1977-1980

Clinical Instructor in Surgery (Research) The Ohio State University, 1978-1981

Riverside Methodist Hospital Rotating Internship, 1976-1977

Appointments:

CEO Columbus Medical Association and Affiliates, 2016-present

Vice President Clinical Quality and Population Health, the Ohio Hospital Association 2013-2015

Chief of Staff, Cincinnati VAMC 2011-2013

Professor of Clinical Surgery (Affiliate Faculty) University of Cincinnati College of Medicine 2012 - 2013

Acting Chief of Staff, Cincinnati VAMC January through February 2011

Acting Chief of Staff Jesse Brown VAMC August 2010 through September 2010

Chief of Staff Chalmers P Wylie VA Ambulatory Care Center 2009 to 2011

Health care consultant 2006 to 2009

President and COO, Grant Medical Center, 2003-2006

Chief Operating Officer, Grant Medical Center, 2002-2006

Chairman of the Board, Medflight, 2001-2003

Senior Operations Officer, Grant Medical Center, 2001-2002

Senior Vice President, Grant/Riverside Methodist Hospitals 2000

Senior Vice President Trauma, Grant/Riverside Methodist Hospitals, 1999

Vice President Trauma/Critical Care, Grant/Riverside Methodist Hospitals, 1998

Medical Director Trauma Services, Grant Medical Center, 1992-1998, 1985-1991

Clinical Professor of Surgery, The Ohio State University College of Medicine, 2000-present

Clinical Associate Professor of Surgery, The Ohio State University College of Medicine, 1991-2000

Clinical Professor of Surgery, Ohio University, College of Medicine, 1999-2006

Clinical Associate Professor of Surgery, Ohio University, College of Medicine, 1996-1999

*Clinical Assistant Professor of Surgery
The Ohio State University College of Medicine, 1985-1991*

Medical Director SICU, Grant Medical Center, 1992-1995

Medical Co-Director MedFlight, 1995-1998

Medical Co-Director LifeFlight, Grant Medical Center, 1992-1995

Medical Director SICU, Grant Medical Center, 1988-1991

Medical Director LifeFlight, Grant Medical Center, 1988-1991

Director, Continuing Medical Education, Grant Medical Center, 1991-1992

Medical Director Franklin County Paramedic School, 1988-1992

Active Staff-Teaching Faculty, Grant Medical Center, 1981-2000

Faculty - Franklin County Paramedic School, 1986-1988

Assistant Director SICU, Grant Medical Center, 1986-1987

Clinical Instructor in General Surgery, Riverside Methodist Hospital, 1981-1986

Director Trauma Services, Riverside Methodist Hospital, 1984-1985

Clinical Instructor in Surgery The Ohio State University, College of Medicine 1977-1985

Hospital Duties:

Cincinnati VMAC, Chair Clinical Executive Board 2011-2013
Cincinnati VMAC, Co Chair Quality and Performance Improvement Committee 2011-2013

Cincinnati VMAC, *Chair Peer Review Committee* 2011-2013
 Columbus VA Ambulatory Care Center, *Chair Clinical Executive Board* 2009-2011
 Columbus VA Ambulatory Care Center, *Chair Peer Review Committee* 2009-2011
 Grant Medical Center, *Chair Trauma Committee*, 1994-2000
 Grant Medical Center, *Member Automated Clinical Documentation Steering Committee*, 1997-1999
 Grant Medical Center, *Member Decision Support Steering Committee*, 1997-1999
 Grant Medical Center, *Chairman Trauma Critical Care ED Performance Improvement Committee*, 1995-1998
 Grant Medical Center, *Member Surgical Care Appraisal Committee*, 1994-1995
 Grant Medical Center, *Member Quality Assurance Committee*, 1994-1995
 Grant Medical Center, *Member Critical Care Committee*, 1994-1995
 Grant Medical Center, *Member Operating Room Committee* 1991-1992
 Grant Medical Center, *Member Utilization Review Committee*, 1990-1991
 Grant Medical Center, *Chairman Department of Surgery* 1989-1990
 Grant Medical Center, *Secretary Department of Surgery*, 1988
 Grant Medical Center, *Chairman Trauma Committee*, 1985-1991
 Grant Medical Center, *Member Critical Care Committee*, 1983-1990
 Grant Medical Center, *Member Executive Committee*, 1984-1990
 Grant Medical Center, *Chairman E.R. Advisory Committee*, 1984-1990
 Grant Medical Center, *Member Cancer Committee*, 1983-1985
 Grant Medical Center, *Director Nutritional Support Team*, 1983-1984
 Riverside Methodist Hospital, *Member Critical Care Transport Committee*, 1983-1984
 Riverside Methodist Hospital, *Member Trauma Committee*, 1984-1985
 Riverside Methodist Hospital, *Member Research Committee*, 1984-1985
 Riverside Methodist Hospital, *Member P&T Committee*, 1984-1985
 Riverside Methodist Hospital, *Chairman Nutritional Support Committee*, 1983-1984

Community Activities:

The County Hospital Commission of Franklin County 2019
 Healthcare Collaborative of Central Ohio Board (ex-officio) 2018
 Columbus College of Art and Design Board 2018-2023

The Ohio State University Medical Heritage Center Advisory Board 2017-present
CAPA Board 2014-2022
Advisory Board Salvation Army 2006-2010
Columbus Rotary (#38), *Member*, 2005-2008
Columbus Medical Association Foundation Board, *Member* 2005-2010 (Vice President 2010)
GCAC Board, *Member*, 2005-2013 (Chair 2011-2013)
CATCO Board, *Member*, 2004-2008 (Vice President)
Governor's Task Force for Impaired Driving, *Member*, 2003-2004
ASKM Genesis, *Board Member*, 2003-2006
MedFlight Board, *Member*, 1999-2006 (Chair 2004-6)
Lifeline of Ohio Organ Procurement Board, *Member*, 1999-2008 (Chair 2007-2008)
ACME Board, *Treasurer*, 1999-2000
OSMA, *Alternate Delegate*, 1999-2001
Central Ohio Trauma System Foundation Board, *Member*, 2002-present (*President*, 1998 – 2002, currently emeritus)
Annie's Foundation Board, *President*, 1998-present
American Trauma Society, *Board of Directors Ohio Division*, 1992-93
Peer Review Systems Board of Trustees, *Member*, 1996-1997

Biography:

Who's Who in the Midwest 1982, 1992, 1994 & 1997
Directory of Distinguished Americans 1983
Who's Who in the World 14th ed., 15th ed., 16th ed., 18th ed., 22nd ed.
Who's Who in America 51st ed., 52nd ed., 53rd ed., 54th ed., 56th ed., 58th ed.
Who's Who in Science and Engineering, 4th ed., 5th ed., 6th ed. 7th ed., 8th ed.
Who's Who of Slovene Descent in the United States, 1995 & 1998
Who's Who in Medicine and Health Care, 2nd ed., Millennium ed.

Associations:

Alpha Omega Alpha (1976)
Sigma Si (1978)
Fellow American College of Surgeons (1984)
American Association of Surgery for Trauma (1987)
Eastern Association for the Surgery of Trauma (1995)
Central Surgical Association (1996)
International Association for the Surgery of Trauma and Surgical Intensive Care (1993)
Société Internationale de Chirurgie (1990)
Pan Pacific Surgical Society (1984)
American College of Emergency Physicians (1978)
Fellow Society of Critical Care Medicine (1990)
Air Medical Physician's Association (1993)
National Association of EMS Physicians (1995)
American Society of Critical Care Medicine (1987)
American Trauma Society (1986)
Associate Member, Plastic Surgery Research Council (1986)

American Society of Parenteral and Enteral Nutrition (1983)
American Society of Nutritional Support Services (1985)
American Medical Association (1983)
Franklin County Academy of Medicine (1983)
Columbus Surgical Society (1982)
Fellow International College of Surgeons (1984)
Pan-American Trauma Society (1988)
American College of Physician Executives (1989)
Wound Healing Society (1992)
Columbus Medical Forum (2002)
Medical Review Club (2016)

Board Certification:

Diplomat American Board of Medical Examiners, 1977
Diplomat American Board of Surgery, 1982, 1991, 2000, 2013
Added Qualifications in Surgical Critical Care (ABS), 1987 & 1994

License:

State of Ohio, #41060, 1977
State of Nevada #6921, 1993 (Inactive)

Certifications:

ATLS, Instructor (State Faculty)
ACLS, Provider/Instructor/course director (expired)
BTLS, Advanced Instructor (expired)
Ohio Department of Public Safety, Paramedic Instructor (expired)

Awards and Honors:

Emergency Medicine Outstanding Service, Doctors Hospital,
1997
Emergency Medicine Award for Outstanding Preceptor, Doctors
Hospital, 1998
Community Service Medallion – 2001 (OhioHealth)
Prism Award for Stewardship – 2001 (OhioHealth)
Air Medical Physician Association Distinguished Physician Award
– 2005
Lifetime Achievement Award – 2006 The Ohio State University
Business First Health Care Hero Nominee 2007
Business First Health Care Hero Honorable mention 2008
James Fairchild Baldwin Award, Grant Medical Center 2009

**Regional & National
*Duties:***

State of Ohio Population Health Planning Advisory Group 2015

Massachusetts Hospital Association Quality Award Judge 2015

Ohio Commission on Infant Mortality (member) 2015

American Hospital Association Committee on Physician Leadership 2015

Governor's Taskforce on Episodic Payment Reform (member) 2015

PCMH & Clinical Advisory Committee' (Cholecystectomy & Appendectomy)

OOCs: Opiates and Other Controlled Substances Reforming Practices Committee 2014-2015 (Acute Pain)

Illinois Hospital Association Quality awards Judge 2014, 2015

Institute for Equity in Birth Outcomes. Steering Committee 2014-15

Ohio Perinatal Quality Collaborative Executive Committee 2014-15

Director of Health's Task Force on Oral Health and Access to Dental Care 2014

Ohio Medical Quality Foundation Board (member) 2014-16

Cradle Cincinnati Advisory Board 2014-15

Ohio Collaborative to Improve Infant Mortality Member Steering Committee 2013-15

OOCs: Opiates and Other Controlled Substances Reforming Practices Committee 2013 (Chronic Pain)

Governor's Taskforce on Episodic Payment Reform 2013-14
Asthma/COPD Exacerbation Clinical Advisory Group
Perinatal Clinical Advisory Group
Joint Replacement Clinical Advisory Group
Percutaneous Coronary Intervention Clinical Advisory Group

Chair VISN 10 Imaging Subcouncil 2013

Chair VISN 10 Critical Care Subcouncil 2012-2013

Member VISN 10 Finance Council 2012-2013

Member VISN 10 Equipment Council 2012-2013

Co-Chair VISN 10 PBM Subcouncil 2010-2013

Chair VISN 10 VHA SPS Oversight Board 2009-2011

Chair VISN 10 Diagnostic Sub Council 2010-2012

Governor-At-Large, American College of Surgeons, 2003-2009

Reviewer, "Journal of Trauma," 2004-present

Editorial Board, "Trauma Reports," 2002-present

Member Board of Directors, National Foundation for Trauma Care Board, 2002-2009 (treasurer)

Interim President, National Foundation for Trauma Care. 2005

Ohio Award for Excellence Examiner, 2002-2003

Board of Directors, Air Medical Physician Association, 2002- 2005

President, Ohio Chapter, American College of Surgeons, 2002-2003

Associate Member ACS Committee on Trauma, EMS-Pre-hospital Subcommittee, 1997-2001

Member, Ohio Region V, Physician Advisory Board, 1997-1999

Co-Chairman, Franklin County Trauma Committee, 1996

Member, Bylaws Committee EAST, 1996-1998

Chairman, Ohio Committee on Trauma, 1995-2001

Chairman, Ohio Region V, Physician Advisory Board, 1995-1996

Member, OSMA Committee on Emergency and Disaster Medicine, 1993-2000

Member, the Association for Hospitals and Health Systems, EMS/Trauma Committee, 1998-2000

Ohio District #3 Committee on Applicants, American College of Surgeons, 1994-2012

Member Trauma Advisory Committee to the Ohio Emergency Medical Services Board, 1993-1999

Associate Examiner, American Board of Surgery, 1990 & 1994

State Faculty, American College of Surgeons
Advanced Trauma Life Support Course, 1984-present

Councilman, Columbus Surgical Society, 1992-93

American Trauma Society, Chairman: Systems

Evaluation Sub-Committee, 1986-92

Member, Ohio EMS Board, 1990-92

Franklin County Academy of Medicine Subcommittee
On Trauma Care Quality Assurance, 1988-89

3. Falcone, RE: Innovative Leadership: For Physican Leaders, Metcalf et al, Integral Publishers Tucson AZ, 2015

Editorial Review

2004: 4 manuscripts reviewed for *The Journal of Trauma*

2005: 7 manuscripts reviewed for *The Journal of Trauma*

2006: 9 manuscripts reviewed for *The Journal of Trauma*
One manuscript reviewed for *Trauma Reports*

2007: 6 manuscripts reviewed for *The Journal of Trauma*

2008: 7 manuscripts reviewed for *The Journal of Trauma*

2009: 7 manuscripts reviewed for *The Journal of Trauma*
One manuscript reviewed for *Studies in Acute Care*

2010: 9 manuscripts reviewed for *The Journal of Trauma*
One manuscript reviewed for *Trauma Reports*

2011: 8 manuscripts for the *Journal of Trauma*
One manuscript reviewed for *Trauma Reports*

2012: One manuscript reviewed for *Trauma Reports*

2013: One manuscript reviewed for *Emergency Medicine Reports*

2014: Two manuscripts reviewed for *Emergency Medicine Reports*
One manuscript reviewed for *Trauma Reports*

2016: One manuscript reviewed for *Trauma Reports*
One manuscript reviewed for the *Journal of Trauma*

2020: Three manuscripts reviewed for *Surgery*

2021 8 manuscripts reviewed for *Surgery*

2022 7 manuscripts reviewed for *Surgery*

2023 4 manuscripts reviewed for *Surgery*

2023 1 manuscript reviewed for the *Journal of Trauma*

Named Reviewer

1. Morehouse JW, Wang, NE, Falcone RE (Peer Review): Is the LP Necessary in SAH with new generation scanners? *Acute Care*, 1(12), 93-100, 2006
2. Fix, ML, Germann CA, Falcone RE (Peer Review): ATLS Update. *Trauma Reports*, 10(5), 2009
3. Menaker J, Scalea, TM, Falcone RE (Peer Review): Penetrating Thoraco-abdominal Injury. *Trauma Reports*, 11 (6), 2010
4. Clark A, Bloch R, Gibbs, M, Falcone RE (Peer Review): Trauma in Pregnancy. *Trauma Reports*, 12 (3), 2011
5. Bond MC, Scott M, Windsor TA, Falcone RE (Peer Review): The Roles and Risks of Whole-Body Computed Tomography Scans in The Trauma Patient. *Trauma Reports*, 13(5), 2012
6. Boswell K, Menaker J, Falcone RE (Peer Reviewer): An update on Spinal Cord Injury: Epidemiology, Diagnosis, and Treatment for the Emergency Physician. *Trauma Reports*, 14(1), 2013
7. Murano T, Cummins M, Falcone RE (Peer Reviewer): Massive Transfusion: Part 1. *Emergency Medicine Reports*, 35 (8), 2014
8. Murano T, Cummins M, Falcone RE (Peer Reviewer): Massive Transfusion: Part II. *Emergency Medicine Reports*, Volume 35 (7), 2014

9. Ginsberg Z, Menaker J, Falcone RE (Peer Reviewer): Trauma Resuscitation: The Use of Blood and Blood Products. *Trauma Reports* 15(4), 2014
10. Wilkerson RG, Lemon C, Falcone RE (Peer Review) Blast Injuries, *Trauma Reports* 17(3), 2016
11. Ramirez C, Menaker J, Falcone RE (Peer Review) Traumatic Amputations, *Trauma Reports*, May 1, 2017

Letters:

1. Falcone RE, Hickam DM, Rophie R: Complication Rate of Elective Subclavian Vein Catheterization by the Novice. (letter) *J Parenteral and Enteral Nutrition*, 9:379, 1985

16. Falcone RE: The Attending and the Octogenarian, *Family Medicine Journal*, 39(1): 19, 2007

Discussion:

1. Falcone RE in Shatney CH, Sensaki K: Trauma Team Activation for 'Mechanism of Injury' Blunt Trauma Victims: Time for a Change? *J Trauma*, 37(2):281, 1994
2. Falcone RE in Jones JB, Leicht M, Dula OJ: A Ten Experience in the Use of Air Medical Transport for Medical Scene Calls. *Air Med J*, 17(1): 11-12, 1998

National Presentations:

1. Ruberg RL, Falcone RE: Protein Depletion Improves Skin Flap Survival in Rats. Presented (Ruberg), *Plastic Surgery Research Council*, Downey CA, March 1977.
2. Ruberg RL, Falcone RE: Protein Depletion Improves Skin Flap Survival in Rats. Presented (Ruberg), *Surgical Forum, Clinical Congress of American College of Surgeons*, Chicago IL, October 1977.
3. Ruberg RL, Falcone RE: The Effect of Protein Depletion on Skin Flap Survival. Presented (Ruberg), *American Society of Parenteral and Enteral Nutrition*, Houston TX, February 1978.
4. Falcone RE, and Ruberg RL: Effect of Protein Depletion on Skin Graft "Take" in Rats. Presented (Falcone), *Association of Academic Surgeons*, 12th Annual Meeting, Cleveland OH: November 1978.
5. Falcone RE, and Ruberg RL: Pharmacologic Manipulation of Rat Skin Flaps: Lack of Effect of Barbiturates or Nicotine. Presented (Falcone), *Plastic Surgery Research Council*, Dallas TX, 1979.
6. Falcone RE, Nappi J, and Ruberg RL: Effect of Cortisone and Vitamin A on Autogenous Skin Graft "Take" in Rats. Presented (Nappi), *Plastic Surgery Research Council* Dallas TX, 1981.
7. Falcone RE, Nappi J, and Ruberg RL: Can Meshed Grafts "Take" When Sheet Grafts Won't? Presented (Falcone), *Plastic Surgery Research Council*, (Nappi) Dallas TX, 1981.
8. Furste W, and Falcone RE: Foreign Bodies Inserted Into Anal, Rectal and Colostomy Canals. Presented (Furste), *Ohio Valley of Colon and Rectal Surgeons* (Dr. Furste) Columbus OH, 1982.
9. Hickam DM, Falcone RE, Wirsching R: Noninvasive Technique to Determine Subclavian Vein Patency: The Doppler. Informational Poster Exchange, *A.S.P.E.N. 8th Clinic Congress*, Las Vegas NV, January 1984.

10. Miller AP, Falcone RE, Nappi J, Redmond HA, Ruberg RL: Failure of Calcium Channel Blockers to Salvage Failing Skin Flaps. Presented (Miller), *Plastic Surgery Senior Resident's Meeting*, San Francisco CA, May 1984.
11. Falcone RE, Mandelbaum D: The Use of Prosthetic Mesh for Abdominal Wall Replacement in Complex Abdominal Hernias. Presented (Falcone), "Recent Advances in Hernia Surgery", Miami FL, March 1984.
12. Adams MM, Falcone RE, Hickam DM, Holcombe BJ, Wirsching R: Comparison of an Enteral Nutrition Regimen With and Without Antacids in Controlling Gastric pH. Presented (scientific poster session) *A.S.P.E.N., 9th Clinical Congress*, Miami FL, 1985.
13. Falcone RE: The Spectrum of Respiratory Failure in Occult Intra-Abdominal Sepsis, Presented (Falcone), *American and European Views on Critical Care*, Cannes France, June 1985.
14. Falcone RE: Tube Gastrostomy: Cost vs. Benefit, Presented (Falcone), *American Association of Nutritional Support Services*, Anaheim CA, August 1985.
15. Jedlicka D, Zwart J, Falcone RE: Pre-hospital Fluid Resuscitation in Aeromedical Trauma Transport, Presented (Falcone), *American Trauma Society*, Washington DC, May 1986.
16. Falcone RE, Fried SJ, Zeeb P, Satiani B: Rapid Normothermic Volume Replacement in Hypovolemic Shock Using a New Device. Presented (Falcone), *American and European Views on Critical Care*, Cannes France, June 1986.
17. Satiani B, Fried SJ, Zeeb P, Falcone RE: Normothermic Rapid Volume Replacement for Vascular Catastrophes. Presented (Satiani), *Midwest Vascular Surgical Society*, Indianapolis IN, September 1986.
18. Zwart JM, Jedlicka D, Falcone RE: Pre-hospital Fluid Resuscitation in Aeromedical Trauma Transport. Presented (Zwart) *ASHBEAMS/NFNA Conference* (poster session). Washington DC, October 1986.
19. Zwart JM, Helmers S, Wren M, Hatly J, Herron H, Falcone RE: Aeromedical Transport Safety: A Review of Retrospective Data 1975 to 1985 and a Survey of Current Safety Policies. Presented (Zwart), *9th Annual ASHBEAMS/NFNA Conference*. Washington DC, October 1986.
20. Falcone RE, Ruff M: Traumatic Forequarter Amputation: A Study in Coordinated Pre-hospital, Community Hospital, and Trauma Center Care. Presented (Falcone), *4th Annual TREF Trauma Management Symposium*, San Diego CA, February 1987.
21. Falcone RE, Miller AP, Berggren RB: Abdominal Wall Reconstruction with Alloplastic Materials: Indications, Techniques and Complications. Presented (Miller), *9th International Congress of Plastic and Reconstructive Surgery*. New Delhi, India, March 1987.
22. Price JP, Falcone RE: Trauma Nurse Coordinator: An Emerging Area of Specialization. Presented (Price), *American Trauma Society Annual Meeting*, Washington DC, May 1987.

23. Innes JT, Falcone RE, Williams TE, Price JP: Mediastinal Injury in Blunt Trauma Patients with Normal Aortograms. Presented (Innes), *American Trauma Society Annual Meeting*, Washington DC, May 1987.
24. Jedlicka D, Dick M, Zwart J, Falcone RE: Trauma Outcome Study: Aeromedical Transport to Definitive Care from Scene vs. Community Hospital. Presented (Jedlicka), *10th National Trauma Symposium MIEMSS*, Baltimore MD, November 1987.
25. Baxter T, Falcone RE: Urban vs. Rural Trauma: A Comparison of Payor Mix and Hospital Reimbursement. Presented (Baxter), *10th Annual ASHBEAMS/NFNA Conference*, Milwaukee WI, October 1987.
26. Rupp J, Reynolds A, Walsh B, Falcone RE: EMS Scene Triage: Accuracy in Determining Appropriate Trauma Center Referral. Presented (Rupp), *10th Annual ASHBEAMS/NFNA Conference*, Milwaukee WI, October 1987.
27. Falcone RE, Dawson R, Zwart J: Pre-hospital Education as a Trauma Center Marketing Tool. Presented (Dawson), *10th Annual ASHBEAMS/NFNA Conference*, Milwaukee WI, October 1987.
28. Jedlicka D, Dick M, Zwart J, Falcone RE: Trauma Outcome Study: Aeromedical Transport to Definitive Care from Scene vs. Community Hospital. Presented (Jedlicka), *10th Annual ASHBEAMS/NFNA Conference*, Milwaukee WI, October 1987.
29. Miller AP, Falcone RE, Berggren RB: Abdominal Wall Reconstruction with Alloplastic Materials: Indications, Techniques, and Complications. *Scientific Exhibit ASPRS Annual Meeting*, San Francisco CA, October 1987.
30. Jones M, Santanello SA, Falcone RE: Percutaneous Endoscopic vs. Surgical Gastrostomy. Presented (Jones), *12th Clinical Congress ASPEN*, Las Vegas NV, January 1988.
31. Santanello SA, Gabriel A, Falcone RE: Missed Cervical Spine Fractures. Presented (Santanello), *18th Annual Meeting University Association for Emergency Medicine*, Cincinnati OH, May 1988.
32. Santanello SA, Jones MJ, Price JP, Jewett KJ, Falcone RE: Laparotomy in Pelvic Fracture: The Accuracy of Standard Criteria for Intra-abdominal Injury. Presented (Santanello), *XXVI World Congress International College of Surgeons*, Milan, Italy, July 1988.
33. Herron H, Santanello SA, Price JP, Falcone RE: The Risk of HIV Exposure in the Aeromedical Transport of Midwestern Trauma Patients. Presented (Santanello), *11th Annual ASHBEAMS/NFNA Conference*, Boston MA, September 1988.
34. Reynolds A, Santanello SA, Falcone RE: Pre-hospital Ambu-bag Hyperventilation. Presented (Santanello), *11th Annual ASHBEAMS/NFNA Conference*, Boston MA, September 1988.

35. Santanello SA, Jones M, Price JP, Falcone RE: Laparotomy in Pelvic Fracture. Presented (Falcone), *1st Annual Congress of the Pan-American Trauma Society*, San Juan PR, October 1988.
36. Falcone RE, Santanello SA, Price JP: Train Wreck: The Mechanism Describes the Injury. Presented Scientific Exhibit, *American College of Surgeons Clinical Congress*, Chicago IL, October 1988.
37. Innes JT, Falcone RE, Sparks J, Carey LC: Human Growth Hormone: Implications in Nutritional Support. Presented (poster session) *13th Clinical Congress ASPEN*, Miami FL, February 1989.
38. Falcone RE, Herron H, Robins S, Standeford T: Aeromedical Transport of the Trauma Arrest: Medical and Financial Implications. Presented (Falcone) *American Trauma Society Spring Meeting*, Washington DC, May 1989.
39. Falcone RE, Herron H, Robins S, Standeford T: Aeromedical Transport of the Trauma Arrest: Medical and Financial Implications. Presented (Falcone) *Trauma Tactics*, Denver CO, May 1989.
40. Falcone RE: Rapid Transfusion. Presented (Falcone) *Trauma Tactics*, Denver CO, May 1989.
41. Falcone RE: Splenectomy vs. Splenorrhaphy. Presented (Falcone) *Annual Meeting Ohio Chapter ACS*, Cincinnati OH, May 1989.
42. Santanello SA, Price JP, Falcone RE: Victims of Moving Train Impact: Is Trauma Center Triage Indicated? Presented (Santanello) *American Trauma Society Spring Meeting*, Washington DC, May 1989.
43. Santanello SA, Falcone RE, Gabriel A, Carey LC: Pre-resuscitation Arterial pH: Predictor of Survival in the Injured. Presented (Falcone) *Second Sino-American Conference on Burn Injury and Trauma*, Beijing China, May 1989.
44. Miller AP, Falcone RE: Systemic Risk Factors for Local Complication in Immediate Breast Reconstruction. Presented (Miller) *Joint Symposium of the Plastic Surgery Educational Foundation and the Hungarian Surgical Society Plastic Surgery Section*, Budapest Hungary, September 1989.
45. Manley L, Robins S, Falcone RE: Pediatric Scene Triage: Appropriateness of Current Triage Tools. Presented (Manley) *National Conference on Pediatric Trauma*, Ann Arbor MI, September 1989.
46. Santanello SA, Falcone RE, Kusumi R, Penn J, Carey LC: Risk of HIV Exposure in a Midwestern Trauma Center. Presented (Falcone) *II Congress Pan-American Trauma Society*, San Juan PR, September 1989.

81. Johnson R, Rupp J, Lacey P, Falcone RE: Trauma Center Triage: Air Medical Transport From Scene Versus Emergency Department. Presented (Johnson) *12th Annual AAMS Conference*, Tampa FL, October 1991.
82. Childress S, Herron H, Falcone RE: Children with Seizures: Triage for Air Medical Transport. Presented (Childress) *12th Annual AAMS Conference*, Tampa FL, October 1991.
83. Orsborn R, Byron M, Price JP, Falcone RE: MAST in Air Medical Transport. Poster *12th Annual AAMS Conference*, Tampa FL, October 1991.
84. Johnson R, Janczak R, Falcone RE: Air Medical Scene Response For Illness: Appropriate? Poster *12th Annual AAMS Conference*, Tampa FL, October 1991.
85. Falcone RE, Wanamaker SR, Monk J, Carey LC: Physician Review Improves DRG Reimbursement in Injury. Presented (Wanamaker) *EAST*, Bermuda, January 1992.
86. Santanello SA, Herron H, Dawson R, Falcone RE: Types and Frequency of Abdominal Injury in Seatbelt vs. Non-Seatbelt Wearers. Presented (Falcone) *International College of Surgeons, Annual Meeting*, Chicago IL, April 1992.
87. Santanello SA, Herron H, Price JP, Falcone RE: Effect of Alcohol on Occupant Injury in Motor Vehicle Collisions. Presented (Price) *American Trauma Society's 19th Annual Meeting and Educational Symposium*, McLean VA, May 1992.
88. Sparks H, Santanello SA, Falcone RE: The Ruptured Diaphragm Revisited. Presented (Falcone) *V Congress of the PanAmerican Trauma Society*, Guadalajara, Mexico, September 1992.
89. Ohimor SO, Falcone RE: Phenytoin Prophylaxis in Post-Traumatic Head Injury. Presented (Ohimor) *New Jersey Society of Critical Care Medicine Annual Meeting*, Philadelphia PA, October 1992.

90. Herron H, Falcone RE: Research Presented at AAMS: Subsequent Publication in Indexed Journals. Presented (Falcone) *13th Annual AAMS Conference*, Salt Lake City UT, October 1992.
91. Falcone RE, Wanamaker SR, Baxter CG, Santanello SA: Laparoscopic Vs. Open Wedge Biopsy of the Liver. Poster, *Wilson TS Wang International Surgical Symposium*, Hong Kong, December 1992.
92. Miller AP, Zacher JB, Berggren RB, Falcone RE, Monk J: Breast Reduction for Symptomatic Macromastia: Can Objective Predictors for Operative Success be Identified? Presented, (poster) *American Society of Aesthetic Plastic Surgery*, Boston MA, April 1993.
93. Hughes KM, Price JP, Witkoff M, Falcone RE: Equestrian Related Trauma. Presented (Hughes) *Second World Congress on Injury Control*, (CDC) Atlanta GA, May 1993.
94. Falcone RE, Schulz MA, Innes JT, Wanamaker SR: Widened Mediastinum: A Harbinger of Serious Injury in the Polytrauma Patient. Presented (Falcone) *Sixth World Congress on Intensive and Critical Care Medicine*, Madrid, Spain, June 1993.
95. Hughes KM, Price JP, Witkoff M, Falcone RE: Equestrian Related Trauma. Presented (Hughes) *PanAmerican Trauma Society*, Costa Rica, November 1993.
96. Herron H, Johnson R, Falcone RE: Non-hospital Remote Based Air Medical Transport. Presented (Herron) *14th Annual AAMS Conference*, St. Louis MO, October 1993.
97. Foulds G, Ferraina RA, Fouda HG, Johnson RB, Kamel AM, Shepard RM, Falcone R, Hanna C: Azithromycin Concentrations in Gallbladder, Hepatic Tissue, and Bile Following Five Day Regimen in Man. Presented (Foulds) *33rd Interscience Conference on Antimicrobial Agents and Chemotherapy*, New Orleans LA, October 1993.
98. Foulds G, Ferraina RA, Fouda HG, Johnson RB, Kamel AM, Shepard RM, Falcone R, Hanna C: Azithromycin Concentrations in Gallbladder, Hepatic Tissue, and Bile Following a Five-Day Regimen in Man. Presented (Foulds) *2nd International Conference on Microlides, Azalides, and Streptogammins*, Venice, Italy: February 1994.
99. Herron H, Falcone RE: Pre-hospital Decompression for Suspected Tension Pneumothorax. Presented (Herron) *15th Annual AAMS Conference*, Detroit MI, October 1994.
100. Johnson R, Falcone RE: Air Medical Scene Response for Illness Revisited. Presented (Johnson) *15th Annual AAMS Conference*, Detroit MI, October 1994.
101. Herron H, Falcone RE, Johnson R, Childress S: Trauma and Non-Trauma Arrests: What is Your Protocol? Presented (Herron) *15th Annual AAMS Conference*, Detroit MI, October 1994.
102. Shaner S, Brooks C, Orsborn R, Hull M, Falcone RE: Flight Crew Physical Fitness: A Baseline Analysis. Presented (Shaner) *15th Annual AAMS Conference*, Detroit MI, October 1994.

103. Childress S, Herron H, Falcone RE: Pediatric Advanced Life Support (PALS): A Successful Educational Outreach and Marketing Tool. Presented (Childress) *15th Annual AAMS Conference*, Detroit MI, October 1994.
104. Hughes KM, Falcone RE: The Clinical and Economic Impact of Selective Digestive Decontamination (Selective Flora Suppression) with Polymyxin E, Norfloxacin and Fluconazole in the Critically Ill Trauma Patient. Poster Presented at *American Association for the Surgery on Trauma*, San Diego CA, October 1994.
105. Falcone RE: Post Graduate Course #5. Care Of The Patient With Devastating Trauma: From Injury to Self-sufficiency. *American College of Surgeons*, Chicago IL 1994.
106. Falcone RE: Managed Care Impact on Trauma: Perceived and Real, Moderator. *Ohio Committee on Trauma* Cuyahoga Falls OH, May 1995.
107. Falcone RE: Abdominal and Retroperitoneal Trauma - Evaluation, Management, Results, Moderator. *Ohio Committee on Trauma* Cuyahoga Falls OH, May 1995.
108. Falcone RE: Medical Directors Perspectives. *Ohio Association of Air Medical Service Conference*. Fairborn OH, 1995.
109. Falcone RE: Air Medical Transport in the Trauma Patient Requiring Cardiopulmonary Resuscitation (CPR): A Ten-Year Experience. *Air Medical Transport Conference*, Long Beach CA, October 1995.
110. Miller AP, Falcone RE: Symptomatic Macromastia: Indication Enough for Operation. Presented (Miller) *PPSA*, Honolulu HI, February 1996.
111. Thomas B, Falcone RE, et al: Ultrasound Evaluation of Blunt Abdominal Trauma: Program Implementation, Initial Experience, and Learning Curve. Presented (Thomas) *AAST*, Houston TX, September 1996.
112. Stanhope K, Falcone RE, Quinlin W, Werman H: Helicopter Dispatch: A Time Study. Presented (Stanhope) *AMTC*, Houston TX, September 1996.
113. Herron H, Falcone R, Dean B, Werman H: Scene Airway Management Before and After the Introduction of a Rapid Sequence Induction Protocol. Presented (Herron) *AMTC*, Houston TX, September 1996.
114. Werman H, Shaner S, Falcone RE, Herron H, et al: Helicopter Transport of Non-Traumatic Cardiorespiratory Arrest Patient to Tertiary Care Centers. Presented (Werman) *AMTC*, Houston TX, September 1996.
115. Herron H, Falcone RE, Dean B, Werman H: 8.5 French Peripheral Intravenous Access During Air Medical Transport of The Injured Patient. Presented (Herron) *AMTC*, Houston TX, September 1996.
116. Thomas BW, Falcone RE: Confirmation of Nasogastric Tube Placement by Colorimetric Indicator Detection of Carbon Dioxide. Presented (Thomas) *ACN*, San Francisco CA, October 1996.

117. Falcone RE, Thomas BW: Safety and Efficacy of Diagnostic Peritoneal Lavage Performed by Supervised Surgical and Emergency Medicine Residents. Presented (Falcone) *ICEM*, Sydney, Australia, November 1996.
118. Vasquez D, Falcone RE, et al: Limited Abdominal Sonography for Trauma (LAST): Is One View Enough? Presented (Vasquez) *IX Panamerican Trauma Congress*. Bogotá, Columbia, November 1996.
119. Thomas BW, Falcone RE, Vasquez, DV, Townsend, M: Positive End Expiratory Pressure Induced Changes In Splanchnic Blood Flow As Measured By Gastric Tonometry. Presented (poster) *26th SCCM Symposium*, San Diego CA, February 1997.
120. Chow S, Falcone RE, Thomas B, Kraner T, Vasquez DV, Santanello S, Innes J, Hockenberry S, Townsend M: A Prospective Study Comparing Bismuth Subsalicylate with Sucralfate for the Prophylaxis of Clinically Significant Stress Related Mucosal Bleeding. Presented (Chow) *37th World Congress of the International Society of Surgery*, International Surgical Week, Acapulco, Mexico, August 1997.
121. Falcone RE, Herron H, Werman H, Bonta M: Air Medical Transport of the Injured Patient Scene vs. Referring Hospital. Presented (Falcone) Best Paper Award. *1997 AMTC, Scientific Assembly*, Cincinnati OH, October 1997.
122. Herron H, Dean B, Falcone RE: Air Medical Program Merger and Stress. Presented (Herron) *1997 AMTC, Scientific Assembly*, Cincinnati OH, October 1997.
123. Haley K, Hammond S, Orsborn R, Falcone RE: Pediatric Pedestrian Versus Motor Vehicle Patterns of Injury: Debunking The "Myth." Presented (Orsborn). *1997 AMTC, Scientific Assembly*, Cincinnati OH, October 1997.
124. Meesig DM, Falcone RE: The Spectrum of Intrarectal Foreign Bodies. Presented (Falcone) *Wilson TS Wang International Surgical Symposium*, Hong Kong 1997.
125. Rozycki G, Schmidt J, Oschsner MG, Thomas B, Boulanger B, Schmidt F, Falcone RE, Feliciano DV: Early Detection of Hemoperitoneum by Ultrasound Examination of The Right Upper Quadrant: An EAST Multicenter Study. Presented (Rozycki) *28th Annual Meeting of the Western Trauma Association*, Lake Louise, Alberta, Canada, February 1998.
126. Mason A, Falcone RE: Widened Mediastium: A Harbinger of Serious Injuries in the Trauma Patient. Presented (Mason) *42nd Annual Landacre Day, Medical Student Scientific Session*, Columbus OH, April 1998.
127. Meesig DM, Falcone RE: The Spectrum of Intrarectal Foreign Bodies. Presented (Falcone) *International College of Surgeons 60th Annual Surgical Update*, Maui HI, June 1998.
128. Falcone RE, Chow S, McGuire E: Trauma Ultrasound for Surgeons, *International College of Surgeons 60th Annual Surgical Update*, Maui HI, June 1998.
129. Falcone RE: Trauma Service Line, Managed Trauma Care, *Bishop and Associates*, Dallas TX, March 1999.

130. Mason A, Falcone RE: Widened Mediastium: A Harbinger of Serious Injuries in the Trauma Patient. Presented (Falcone) *International College of Surgeons, 36th North American Federation Congress*, Cancun, Mexico, June 1999.
131. Falcone RE, Chow S, McGuire E: Trauma Ultrasound for Surgeons, *International College of Surgeons, 36th North American Federation Congress*, Cancun, Mexico, June 1999.
132. Asensio JA, Chahwan S, Forno, Falcone R, et al.: Penetrating Esophageal Injuries: Multicenter Study of the American Association for the Surgery of Trauma. Presented (Asensio) *59th Annual Meeting of the American Association for the Surgery of Trauma*, Boston MA, September 1999.
133. McGuire E, Tisner J, Falcone R, Cook C, Martin L, Praba A: Driving Under the Influence (DUI): What is the Incidence of Citation for Trauma Patients. Poster presented (McGuire) at *Eastern Association for the Surgery of Trauma, Thirteenth Annual Scientific Assembly*, Ft. Myers FL, January 2000.
134. Price J, Hudson P, Falcone R: Equestrian Helmet Safety: You Can Lead a Horse to a Helmet But Can You Make Its Rider Wear One. Poster presented (Price) at *Eastern Association for the Surgery of Trauma, Thirteenth Annual Scientific Assembly*, Ft. Myers FL January 2000.
135. Falcone R: Trauma Ultrasound for Surgeons. *Pan-Pacific Surgical Association, 25th Congress*, Honolulu HI, January 2000.
136. Falcone: Time to Take Control: A 1-Day Course for Trauma Medical Directors & Senior Executives, *3rd Annual Trauma Center Leadership Conference, Bishop and Associates*, Denver CA, March 2000.
137. Falcone: AIDS and the Health Care Worker, *Critical Care Transport Medicine Conference, Air Medical Physician Association*, Las Vegas NV, April 2000.
138. Falcone RE: Neurologic Trauma, *Critical Care Transport Medicine Conference, Air Medical Physician Association*, Las Vegas NV, April 2000.
139. Falcone RE, Chow S, McGuire E: Trauma Ultrasound for Surgeons, *International College of Surgeons, 62nd Annual Surgical Update*, Boston MA, July 2000.
140. Falcone RE: Compliance and Trauma, *Advances in Trauma, American College of Surgeons Committee on Trauma, Region VII*, Kansas City MO, December 2000.
141. Falcone RE: Does This Meet Compliance Standards, *Advances in Trauma, American College of Surgeons Committee on Trauma, Region VII*, Kansas City MO, December 2000.
142. Rockwood R, Falcone R, Peterson S, Wolfe T: The Impact of Monthly Antibiotic Rotation on Bacterial Susceptibility in a SICU. Presented (poster session) *SCCM's 30th International Educational and Scientific Symposium*, February 2001.
143. Falcone RE: Death Before Birth: Maternal-Fetal Trauma. *Critical Care Transport Medicine Conference, Air Medical Physician Association*, San Antonio TX, April 2001.

144. Falcone RE: Pre-Hospital Fluid Resuscitation In Air Medical Transport. *Critical Care Transport Medicine Conference, Air Medical Physician Association*, San Antonio TX, April 2001
145. Falcone RE, Chow S, McGuire E: Trauma Ultrasound for Surgeons, *International College of Surgeons, 37th North American Federation Congress*, Orlando FL, July 2001.
146. Falcone RE, Werman H: Difficult Transports That Went Wrong or Right: Case Examples, *Air Medical Directors' Conference*, Barcelona, Spain, June 2005.
147. Conrad S, Palmer J, Falcone RE: Safe Sleep Is Good4Baby: Collaboration Between Public and Private Sectors (Poster). XULA-COP CMHDRE Health Disparities Conference, New Orleans, LA, March 2015
148. Conrad S, Palmer J, Falcone RE: Hospital Safe Sleep Initiative: Safe Sleep Is Good4Baby (Poster), 2015 Neonatal/Perinatal Conference. Columbus OH May 2015
149. Cass P, May D, Parnes M, Falcone RE: Training Mindful Physician Leaders in a Structured Program. National Summit on Promoting Well-Being and Resilience in Healthcare Providers. September 2018
150. McElroy JA, Steinber S, Keller J, Falcone RE: Operation Continued Care: A Large Mass Casualty Full Scale Exercise as a Test of Regional Preparedness. Presented (McElroy) Central Surgical Society Annual Scientific Meeting. Palm Harbor FLA March 2019
151. Gascon GM, Steinberg S, Kovach S, Falcone RE: A Mixed Methods Approach to Understanding the Influence of Changes in Successive Versions of the Advanced Trauma Life Support Training Program on Student Performance. Presented (Gascon) Annual meeting of the CSA & MSA, Chicago, IL 2021
152. Falcone RE Glasgow J: Teaching ATLS® During the COVID-19 Pandemic Video presentation ACS Clinical Congress 2021
153. Gascon GM, Chen H, Morosanu L, Chen VH, Cass P, Falcone RE. Assessment of the Implementation and Outcomes of a Physician Leadership Program: Continuous Feedback Loop Design. Presented (Gascon) American Evaluation Association 21 (virtual) 2021

Invited Lectures:

1983:

- Falcone RE: Splenorrhaphy in the Community Hospital: Grand Rounds Ohio State University, Columbus OH
- Falcone RE: Complex Abdominal Wall Hernias: Grand Rounds Ohio State University, Columbus OH
- Falcone RE.: Current Concepts in Esophagitis: Grand Rounds Ohio State University, Columbus OH
- Falcone RE: What's New in Skin Flap and Skin Graft Surgery: Grand Rounds Grant Medical Center, Columbus OH

1984:

Falcone RE: Current Concepts in Bladder Trauma: Grand Rounds Ohio State University, Columbus OH
Falcone RE: Diaphragm Rupture: Trauma Rounds Riverside Methodist Hospitals, Columbus OH
Falcone RE: Traumatic Aortic Disruption: Trauma Rounds Riverside Methodist Hospitals, Columbus OH
Falcone RE: Surgical Management of Esophageal Spasm: Grand Rounds Ohio State University, Columbus OH
Falcone RE: Blunt Duodenal Trauma: Trauma Rounds Riverside Methodist Hospitals, Columbus OH

1985:

Falcone RE: Penetrating Neck Injuries: Trauma Rounds Riverside Methodist Hospitals, Columbus OH
Falcone RE: Total Trauma Care: Grand Rounds Kenton Hospital, Kenton OH
Falcone RE: Wound Ballistics: Grand Rounds Grant Medical Center, Columbus OH
Falcone RE: Wound Ballistics: Trauma Rounds Riverside Methodist Hospitals, Columbus OH
Falcone RE: Diaphragm Trauma: Trauma Rounds Grant Medical Center, Columbus OH
Falcone RE: Trauma Update: Grand Rounds Licking Memorial Hospital, Lancaster OH

1986:

Falcone RE: Hypothermia: Trauma Rounds Grant Medical Center, Columbus OH
Falcone RE: Trauma Update: Grand Rounds Crestline Hospital, Crestline OH
Falcone RE: Trauma Update: Grand Rounds Marysville Hospital, Marysville OH.
Falcone RE: Trauma Update: Grand Rounds Selby Hospital, Marietta OH
Falcone RE: Trauma Update: Grand Rounds Lancaster Memorial Hospital, Lancaster OH
Falcone RE: Trauma Update: Grand Rounds Ross County Memorial Hospital, Chillicothe OH
Falcone RE: Trauma Update: Coshocton Medical Society, Coshocton OH
Falcone RE: Abdominal Sepsis? Surgery: Grand Rounds Fairview Memorial Hospital, Cleveland OH
Falcone RE: Update on the Management of Infections in Trauma: 26th Annual Trauma Day, Muskegon MI
Falcone RE: Normothermic Rapid Volume Replacement: Grand Rounds Geisinger Medical Center, Danville PA
Falcone RE: Diaphragm Trauma: Grand Rounds Cleveland Clinic, Cleveland OH
Falcone RE: Perforated Viscus: Grand Rounds Union County Memorial Hospital, Dover OH

1987:

Falcone RE: Pancreatic Trauma: Grand Rounds Doctors North Hospital, Columbus OH
Falcone RE: Pancreatic Trauma: Trauma Rounds, Grant Medical Center, Columbus OH
Falcone RE: Update on Infections in Trauma: Harlem Hospital, New York NY
Falcone RE: Wound Ballistics: Harlem Hospital, New York NY
Falcone RE: Penetrating Injuries to the Retroperitoneum: Doctors Hospital, Columbus OH

1988:

Falcone RE: Pancreaticoduodenal Injury: Trauma Rounds, Mount Carmel Medical Center, Columbus OH

Falcone RE: Colorectal Injury: Trauma Rounds, Grant Medical Center, Columbus, Ohio.
Falcone RE: Colorectal Trauma: Grand Rounds, Mt. Carmel Medical Center, Columbus OH
Falcone RE: Abdominal Trauma: First Annual Trauma Day, Zanesville OH
Falcone RE: Intra-abdominal Sepsis: Grand Rounds, Trumble Memorial Hospital, Trumble OH

1989:

Falcone RE: Regional Rounds: Trauma and Surgical Critical Care, Grant Medical Center, Columbus OH
Falcone RE: Trauma Update: Mount Vernon Medical Society, Mount Vernon, Ohio.
Falcone RE: Infections in Trauma: Dayton Grandview Hospital, Dayton OH
Falcone RE: Review of Newer Anti-infectives, Squibb Medical Retreat, PA
Falcone RE: Treatment of Gram-Negative Infection, Squibb Medical Retreat, PA

1990:

Falcone RE: Antibiotic Utilization in the Critical Care Trauma Patient. Rhode Island Hospital, Warwick RI
Falcone RE: Aeromedical Transport: Medical Directors' Perspectives, Ohio AAMS panel discussion, Dayton, OH
Falcone RE: Monobactam Antibiotics, Grand Rounds, VA Hospital, Chillicothe OH
Falcone RE: Pancreatic Sepsis, Grand Rounds, Albany Medical Center, Albany NY
Falcone RE: Air Medical Transport: The Basics, Trauma Grand Rounds, Bay State Medical Center, Springfield MA
Falcone RE: Trauma: The First 48 Hours, Grand Rounds, Dayton Grandview Hospital, Dayton OH
Falcone RE: Antibiotics in Surgical Critical Care, Grand Rounds, Roswell Park Memorial Hospital, Buffalo NY
Falcone RE: Trauma in Pregnancy, Trauma Grand Rounds, Western Reserve, Cleveland OH
Falcone RE: Penetrating Injury to the Chest, Grand Rounds, Allegheny General Hospital, Pittsburgh PA
Falcone RE: Antibiotics in Injury, Grand Rounds, Jackson Memorial Hospital, Miami FL
Falcone RE: Antibiotics in Trauma and Surgical Critical Care, Grand Rounds, Jewish Hospital, Cincinnati OH
Falcone RE: Cholelithiasis - Approach to Therapy, Family Practice Review, Columbus OH

1991:

Falcone RE: Current Trends in the Management of Gall Bladder Disease, Laparoscopic Cholecystectomy Course, Grant Medical Center, Columbus OH
Falcone RE: Screening Criteria and Diagnostic Modalities for Mediastinal Injury, Dayton Surgical Society, Dayton OH
Falcone RE: Trauma in Pregnancy, Surgical Grand Rounds, Wright State University, Dayton OH
Falcone RE: Infection in the SICU, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Penetrating Abdominal Trauma, Trauma Rounds, Mount Carmel Medical Center, Columbus OH
Falcone RE: MAST - Dead or Alive, American Trauma Society Pennsylvania Chapter Annual Meeting, Hershey PA
Falcone RE: Primary Repair in Unfavorable Colon Injury, Trauma Day, New York, New York.

Falcone RE: Colorectal Injury, Trauma Rounds, St. Luke's Hospital, New York NY
Falcone RE: Colorectal Trauma, 10th Annual Symposium on Trauma, Harlem Hospital, New York NY
Falcone RE: Risk Management in Surgical Wounds, Grand Rounds, Falmouth Hospital, Falmouth MA
Falcone RE: Colorectal Trauma, Grand Rounds, University of New Jersey College of Medicine and Dentistry, Newark NJ
Falcone RE: Current Management of Surgical Infection, Grand Rounds, Good Samaritan Hospital, Cincinnati OH
Falcone RE: Abdominal Trauma: New Thoughts, Grand Rounds, Allegheny General Hospital, Pittsburgh PA
Falcone RE: Abdominal Trauma: New Thoughts, Grand Rounds, McKeesport General Hospital, McKeesport PA
Falcone RE: Antibiotics in Trauma and Surgical Critical Care, Grand Rounds, St. Lukes Hospital, New Bedford MA
Falcone RE: Colorectal Trauma: Current Management. Grand Rounds, Cleveland Clinic Foundation, Cleveland OH
Falcone RE: Antibiotics in Surgical Critical Care. Grand Rounds, St. John's Hospital, Springfield MO
Falcone RE: Current Management of Sepsis. Grand Rounds, St. John's Hospital, Petersburg, WV

1992:

Falcone RE: Why I Hate Laparoscopic Cholecystectomy. Advances in Laparoscopy, Amelia Island FL
Falcone RE: Laparoscopy in Trauma - Sorting Out Hemoperitoneum. Advances in Laparoscopy, Amelia Island FL
Falcone RE: Diagnosing the Ruptured Diaphragm. Advances in Laparoscopy, Amelia Island FL
Falcone RE: Antibiotics in Trauma and Surgical Critical Care. 21st Congress Pan Pacific Surgical Association Honolulu HI
Falcone RE: HIV and the Surgeon: Risk of Exposure. 21st Congress Pan Pacific Surgical Association, Honolulu HI
Falcone RE: Current Management of Colorectal Trauma. Panel Discussion Pan Pacific Surgical Association, Honolulu HI
Falcone RE: Below the Belt: Seatbelt Related Injuries. 4th Annual Symposium on Trauma and Critical Care, Cincinnati OH
Falcone RE: Antibiotic Use in the Surgical and Trauma Patient. Tippecanoe County Medical Society, Lafayette IN.
Falcone RE: AIDS and the Surgeon. Ft. Wayne Surgical Society, Ft. Wayne IN

1993:

Falcone RE: Benefits of Rapid Transport. Columbus, Ohio.
Falcone RE: Antibiotic Usage in the Surgical Trauma Patient. Lafayette IN
Falcone RE: Hemodynamics in Shock. Grand Rounds, Holycross Hospital, Detroit MI
Falcone RE: Infections in Trauma. Surgical Grand Rounds, Southside Medical Center, Youngstown OH
Falcone RE: Update on Regionalization. Surgical Grand Rounds, Fairview General Hospital, Cleveland OH
Falcone RE: What's New in Trauma? Fourth Annual Trauma Symposium, St. Elizabeth's Hospital, Youngstown OH

Falcone RE: The Basics of Trauma. Ohio/West Virginia Association of Medical Transcriptionists, Columbus OH
Falcone RE: Rapid Sequence Intubation. Grand Rounds, Mansfield General Hospital, Mansfield OH
Falcone RE: Nosocomial Pneumonia. Residents Day, University of S. Florida, Tampa FL
Falcone RE: Antibiotics in Trauma and Critical Care Emergency Medicine, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Colon and Anorectal Trauma. Annual Assembly of Osteopathic Specialists, San Francisco CA
Falcone RE: Pre-hospital Assessment and Management of Chest Trauma. 46th Annual Educational Conference & International Competitions. Richmond VA

1994:

Falcone RE: Seat belt injuries. Surgery Grand Rounds, Lakewood Hospital, Cleveland OH
Falcone RE: Regionalization of Trauma. Medical/Surgical Grand Rounds, Lakewood Hospital, Cleveland OH
Falcone RE: Initial Assessment and Management of Trauma. (Lecture and Cadaver Dissection) Ohio BTLS, Columbus OH
Falcone RE: Blunt Torso Trauma. Conemaugh Hospital Trauma Symposium, Johnstown PA
Falcone RE: Colorectal Injuries. Conemaugh Hospital Trauma Symposium, Johnstown PA
Falcone RE: Aids and the Health Care Worker, Grand Rounds, Jewish Hospital, Cincinnati OH.
Falcone RE: Common Traumas in Ambulatory Medicine, 3rd Annual Alumni Conference and Family Practice Review, Deer Creek, Mt. Sterling OH
Falcone RE: Seatbelt Injuries. Surgical Grand Rounds Mount Carmel Medical Center, Columbus OH
Falcone RE: Blunt Torso Trauma. Surgical Grand Rounds, Mount Carmel Medical Center. Columbus OH
Falcone RE: Wound Ballistics. Emergency Medical Grand Rounds, Doctors Hospital, Columbus OH

1995:

Falcone RE: Current Management of Colorectal Injury. Trauma Rounds, Mount Carmel Medical Center, Columbus OH
Falcone RE: Trauma in Pregnancy. Emergency Medical Grand Rounds, Doctors Hospital, Columbus OH.
Falcone RE: Colorectal Injury. Surgical Grand Rounds. Mt. Sinai Hospital, Cleveland OH
Falcone RE: Management of Abdominal Trauma. St. Elizabeth's Hospital, Youngstown OH
Falcone RE: Blunt Torso Trauma. Surgical Grand Rounds. Grandview Medical Center, Dayton OH
Falcone RE: Wound Ballistics. CAMC/Department of Surgery. Charleston WV
Falcone RE: Management-Blunt and Penetrating Trauma. Surgical Grand Rounds. Northside Medical Center, Youngstown OH
Falcone RE: Antibiotics in Trauma & Critical Care. Surgical Grand Rounds, Mount Carmel Medical Center, Columbus OH.
Falcone RE: Airway Management. Tri-State Trauma Conference, Huntington, West Virginia.

Falcone RE: Surgical Infections. Tri-County Surgical Society, San Bernadino CA
Falcone RE: Wound Ballistics. Mount Carmel Hospital, Columbus OH
Falcone RE: Assessment and Management Chest Injuries, Physician's Trauma Conference-Good Samaritan Medical Center, Zanesville OH
Falcone RE: Antibiotics in Trauma and Critical Care. Trauma Rounds, Grant Medical Center, Columbus OH
Falcone RE: Aids in the Health Care Worker. Surgical Grand Rounds, Mount Carmel Medical Center, Columbus OH
Falcone RE: Chest Injury. Surgical Grand Rounds, Mount Carmel Medical Center, Columbus OH
Falcone RE: Head Injury. Emergency Medicine Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Antibiotics in Trauma and Surgical Critical Care, Trauma Grand Rounds, Medical College of Pennsylvania, Philadelphia PA
Falcone RE: Antibiotics in Trauma and Surgical Critical Care, Trauma Grand Rounds, Crozier Chester Hospital, Philadelphia PA
Falcone RE: Risk Factors for DVT in Trauma Patient, Vascular Grand Rounds, Toledo Hospital, Toledo OH
Falcone RE: Diagnostic Aid in Abdominal Trauma: DPL to Laparoscopy, Trauma Grand Rounds, Toledo Hospital, Toledo OH
Falcone RE: Update: Antibiotic Pathogens, Tuesday Update Series, Nueces County Medical Education Foundation, Corpus Christi TX

1996:

Falcone RE: Assessment and Management of Trauma, Surgical Grand Rounds, Mount Carmel Hospital, Columbus OH
Falcone RE: Diagnostic Aids in Abdominal Trauma: DPL to Laparoscopy, Trauma Grand Rounds, Grant/Riverside Methodist Hospitals, Columbus OH
Falcone RE: Shock, Medical Grand Rounds, Marietta Memorial Hospital, Marietta OH
Falcone RE: Controversies in Resuscitation/ED Resuscitation: An Overview, Trauma Symposium, Grant Medical Center, Columbus OH
Falcone RE: Focused Abdominal Sonogram in Trauma, Surgical Grand Rounds, Geisinger Medical Center, Danville PA
Falcone RE: Airway Management with C-Spine Control, Surgical Grand Rounds, Mount Carmel Hospital, Columbus OH.
Falcone RE: Assessment and Management of Trauma, Grand Rounds, Meridia South Point Hospital, Cleveland OH.
Falcone RE: Statewide Trauma Triage, Where We are At and Where We Should Be, Trauma Symposium, Southwest General Health Center, Cleveland OH
Falcone RE: Assessment and Management of Chest Injuries, Surgical Grand Rounds, Mount Carmel Hospital, Columbus OH
Falcone RE: Diagnostic Peritoneal Lavage vs. Sonogram in the Management of Abdominal Trauma, Surgical Grand Rounds, Jewish Hospital, Cincinnati OH
Falcone RE: Treatment of Chest Trauma, Third Annual Selected Topics in Trauma Management, Meridia Huron Hospital, Cleveland OH
Falcone RE: Management of Abdominal Trauma, Surgical Grand Rounds, Mount Carmel Hospital, Columbus OH
Falcone RE: Ultrasound in Trauma, The Ohio State University Emergency Medicine Lecture Series, Columbus OH
Falcone RE: Shock, Doctors Hospital, Emergency Medicine Lecture Series, Columbus OH

Falcone RE: Ultrasound in Trauma, Ohio University College of Osteopathic Medicine, Emergency Medicine Lecture Series, Columbus OH
Falcone RE: Wound Ballistics, Wright State University Surgery Grand Rounds, Dayton OH
Falcone RE: Wounds and Wounding. Ohio Division of Mental Retardation and Developmental Disabilities, Columbus OH
Falcone RE: Focused Abdominal Sonogram in Trauma (FAST), Grand Rounds, Grant Medical Center, Columbus OH

1997:

Falcone RE: Ultrasound in Abdominal Trauma, Grand Rounds, Riverside Methodist Hospital, Columbus OH.
Falcone RE: Ultrasound in Abdominal Trauma, Grand Rounds, Morristown Memorial Hospital, Morristown NJ
Falcone RE: Ultrasound in Abdominal Trauma, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Initial Assessment and Management of Trauma, Grand Rounds, Meridia South Pointe Hospital, Cleveland OH
Falcone RE: Statewide Trauma Systems in Ohio, 42nd Annual Meeting, Ohio Chapter American College of Surgeons, Warren OH
Falcone RE: Wound Ballistics, Grand Rounds, Mount Carmel Medical Center, Columbus OH
Falcone RE: Colorectal Injury, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Colorectal Injury, Grand Rounds, Grant Medical Center, Columbus OH
Falcone RE: Chest Injury, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Practical Aspects of Abdominal Ultrasound for Trauma, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Aids and the Health Care Worker, Grand Rounds, Doctors Hospital, Columbus OH

1998:

Falcone RE: Wound Ballistics, Trauma and Emergency Medicine Pearls and Pitfalls, Dayton OH
Falcone RE: Current Management of Infections in the SICU, Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Trauma Session (moderator) Ohio Chapter ACS, Spring Meeting, Columbus OH.
Falcone RE: Neurological Trauma, Emergency Medicine Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Aids and the Health Care Worker, Emergency Medicine Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Wound Ballistics. Surgery Grand Rounds, St. Elizabeth Health Center, Youngstown OH
Falcone RE: Regional Trauma System. Fourth Annual Zollinger Postgraduate Course in Surgery, Columbus OH

1999:

Falcone RE: Airway Management with C-Spine Control, Emergency Medicine Grand Rounds, Doctors Hospital, Columbus OH

Falcone RE: Chest Injury, Emergency Medicine Grand Rounds, Doctors Hospital, Columbus OH
Falcone RE: Regionalized Trauma Systems, Muskingham County Academy of Medicine, Zanesville OH
Falcone RE: Trauma Session (moderator) 44th Annual Ohio Chapter of ACS Annual Meeting, Cleveland OH
Falcone RE: Ultrasound for Surgeons (preceptor) 44th Annual Ohio Chapter of ACS Annual Meeting, Cleveland OH
Falcone R, Chow S, McGuire E: Trauma Ultrasound for Surgeons (course), Mount Carmel Medical Systems, Columbus OH
Falcone R: Critical Care Conference, Wound Ballistics, Mohican State Park Resort, Perrysville OH
Falcone R: Wound Ballistics. Grand Rounds, Christiana Hospital, Newark DL
Falcone R: Ultrasound in Trauma, Residents Lecture, Mount Carmel Health Systems, Columbus OH
Falcone R: Trauma Update, Grant Medical Center, Columbus OH

2000:

Falcone RE: Emergency Medicine Trauma Conference, Doctors Hospital, Marriott North, Columbus OH
Falcone RE: Trauma Conference, Genesis HealthCare System, Bethesda Hospital, Zanesville OH
Falcone RE: Department of Surgery Grand Rounds, Good Samaritan, Cincinnati OH
Falcone R, Chow S, McGuire E: Trauma Ultrasound for Surgeons (course), Huntington-Cabell Hospital, Huntington WV
Falcone R: Grand Rounds, Miami Valley Hospital, Dayton OH

2001:

Falcone RE: Emergency Medicine Educational Day, Ohio University College of Osteopathic Medicine, Dayton OH
Falcone RE: Damage Control-Trauma Surgery, Texas Tech University, El Paso TX
Falcone RE: Process Improvement: Trauma's Conscience, 2001: A Trauma Odyssey, Columbus OH

2002:

Falcone RE: A Trauma System for Ohio: The Long and Winding Road, Emergency Medicine Symposium, Columbus OH
Falcone RE: F.A.S.T.: Grand Rounds Grant Medical Center, Columbus OH

2003:

Falcone RE: Compensating the "On-Call" Physician, Trauma Economic Summit, Dallas TX
Falcone RE: Cost of Community Service: The Community Center, Trauma Economic Summit, Dallas TX
Falcone RE: Airway Anatomy, Air Medical Physicians Association Preconference, Louisville KY.
Falcone RE: Basic and Advanced Airway, Air Ambulance Aeromedical Conference, Honolulu HI
Falcone RE: Neuro Trauma, Air Ambulance Aeromedical Conference, Honolulu HI
Falcone RE: Public Fear and the Allocation of Healthcare, Compliance

Conference, Columbus OH
Falcone RE: Top Five Changes Impacting Trauma Care, Trauma Care 2003, Columbus OH
Falcone RE: Indications for Air Medical Transport, Air Medical Physicians Association Conference, Reno NV
Falcone RE: Traumatic Cardiac Arrest, American Heart Association Ohio ECC Conference, Columbus OH

2004:

Falcone RE: Indications for Air Medical Transport, Air Medical Physicians Association Conference, San Antonio TX
Falcone RE: Two Sides of a Coin, Trauma Centers Can Be Physician Friendly, National Foundation for Trauma Care (NFTC), Dallas TX
Falcone RE: Trauma Centers Can Be Physician Friendly, American College of Surgeons Committee on Trauma Breakfast, Columbus OH
Falcone RE: Marketing and Surgery: Is it Ethical? Is it Effective? American College of Surgeons Clinical Congress, panel discussion, Chicago IL
Falcone RE: Colon Injury: Colostomy vs. Primary Repair, Trauma Care 2004, Columbus OH

2005:

Falcone RE: Maintaining Specialty Coverage: Keeping of the Crosshairs. NFTC Leadership Conference, Dallas TX
Falcone RE: Surviving Your Role as a Trauma Leader. NFTC Trauma Medical Director Course, Dallas TX
Falcone RE: Potter C: Trauma Finance 101. NFTC Leadership Conference, Dallas TX
Falcone RE: Thriving in the Role as a Trauma Leader. NFTC 10th Annual Trauma Center Management Conference, San Diego CA
Falcone RE: Indications for Air Medical Transport, Air Medical Physicians Association Conference, Austin TX

2006:

Falcone RE: Thriving in the Role as a Trauma Leader, NFTC Trauma Finance & Business Planning Course, Trauma Medical Director Course, Dallas TX

2007: Falcone RE: Thriving in the role of Trauma Leader, NFTC Trauma Finance & Business Planning Course, Trauma Medical Director Course, Dallas TX

2008:

Falcone RE: Thriving in the role of Trauma Leader, NFTC Trauma Finance & Business Planning Course, Trauma Medical Director Course, Dallas TX
Falcone, RE, Werman H: The Balanced Score Card, AMPA preconference Prague, Czechoslovakia
Falcone, RE: Changing paradigms in the practice of Medicine, The Ohio Chapter ACS Spring meeting, Columbus OH
Falcone, RE, Werman H: Indications for air medical transport, AMPA Medical Director Course Part 1, Minneapolis MN

2009

Falcone RE: Thriving in the role of Trauma Leader. TCAA Trauma Medical Director Course, San Diego CA
Falcone RE: Trauma finance 101. TCAA Trauma Medical Director Course, San Diego CA

Falcone RE: Reading and understanding Hospital Financial Reports. TCAA Trauma Finance and Business planning Course, San Diego CA
Falcone RE: Trauma Finance Collections Liens and appeals. TCAA Trauma Finance and Business planning Course, San Diego CA

2010

Falcone RE: Trauma finance 101. TCAA Trauma Medical Director Course, San Diego CA
Falcone RE: Understanding your CEO's expectations for trauma. TCAA Trauma Medical Director Course, San Diego CA

2011

Falcone RE: Trauma finance 101. TCAA Trauma Medical Director Course, San Diego, CA
Falcone RE: Building your Administrative Team. TCAA Trauma Medical Director Course, San Diego CA

2012

Falcone RE: Building your business plan and selling it. TCAA Trauma Finance and Business Planning Course, Charleston SC
